Re: Letter of Recommendation

Dear Ron:

After working with you for approximately 20 years, you still continue to amaze me with the quality of your work. You have refinished wood doors and benches, patched stone work and literally painted the pattern to match existing granite. You and your son are truly artists. I appreciate your conscientiousness, your reasonable prices, and your willingness to do even the smallest job. You are a pleasure to work with, and I would highly recommend your services to anyone.

If you have any questions, please feel free to call me at 512/476-0919.

Best regards,
